Reference: Amended Year End Report (10/01/09 12/31/09) Received 03/04/10

Dear Mr. Kaye:

In response to your letter dated March 30, 2010, we have responded to your cycle-to-date question regarding contributions made by Scott Randolph. Due to our FEC filing software the loan payments were not aggregating properly. As a result, the amount of \$591.25 was being double reported and affected the aggregated amount for Mr, Randolph and our cash on hand. This issue was corrected and is reflected in the amendments filed on the 4th of May.

In reference to the transfers made by the Jared Polis Victory Fund, two transfers were made by the committee, the first being on 06/30/09 for \$2,000.00 and the second received 12/18/09 for \$3,000.00. Both of these transfers were for funds that were received prior to 06/30/09. At the time of the first transfer the committee reported memo transactions for contributors with a total of \$5,986.34, \$986.34 more than the total funds transferred. The second transfer was not made until after the Joint Fundraising Committee paid all expenses.

Please note that Amendments have also been made to update employer and occupation information and aggregated contributions for duplicate contributor data sets.

Please feel free to contact me with any questions.

Sincerely,

Alan Grayson
